

Mentor Contacts

Today, there are many activities that you can do with your dog. Many of these activities are sponsored by the AKC and also various other dog organizations. Most AKC events welcome non purebred dogs. The YCDTC does not perform training. However, we have experienced people in all kinds of dog activities who will be happy to answer your questions and advise you how to get started in these activities. Join in the fun. These mentors are passionate about dogs and want to talk to you.
