## What is FAST CAT?

Sure, you think your dog is fast. But have you ever wondered *how* fast?

Well, you no longer have to wonder how fast your dog can run. FAST CAT® – which stands for Coursing Ability Test – is a timed 100-yard dash where dogs run one at a time, chasing a lure. It's over before you know it – and it's nothing short of awe-inspiring to watch your dog run at top speed, ears back, eyes focused, legs strong.

Although it is a relatively new sport, its popularity has spread like wildfire. No wonder. According to one AKC official, “The FAST CAT® provides a terrific opportunity to introduce new participants to the world of AKC sports as one of the few events where all that is needed to compete is a dog's natural instincts.”
