

YORK COUNTY DOG TRAINING CLUB
Volunteer Compensation Policy
Revised 2023

The objectives of the York County Dog Training Club include:

- Promote the training of dogs
- Disseminate knowledge regarding "...all AKC events for which the club is eligible."
- Conduct training sessions for dogs and handlers
- Hold and support "...performance event tests and matches ..."
- Promote cooperation and good sportsmanship among its members...

To accomplish these goals, the club relies on the volunteer activities of all members. We agree that all event committee members are crucial to the success of the club and that all event committee members should be recognized and rewarded for their efforts.

All rewards will be in the form of YCDTC certificates. The certificates are redeemable for any YCDTC event and for payment of dues.
